Dear Friends, Families and Patients,

I want to let you know that a transition in my practice is coming. As of January 1, 2018, Dr. Kristine Uyesugi ("Dr. U") will be taking over the ownership and daily management of my practice. As most of you know Dr. U and I have shared the practice since August of last year. She has been very well received by both my patients and our staff. I am extremely pleased to have such a capable and personable pediatrician take over for me. I recommend that those of you who haven't gotten to know her yet, do so. I am also very pleased to tell you that my wonderful medical assistant, Pam, will continue working with Dr. U.

I am nearing retirement, but not completely retiring. I will continue to work with Dr. U on a limited basis so that those who wish to see me for well care or follow up, may do so. I may also occasionally fill in for other doctors in our office when they are on vacation.

I feel very fortunate to have had the chance to be a part of so many of your lives. I am grateful for the confidence you have had in me, and for all the joy you have given me. I wish you all the best in the future.

Sincerely,

Dr. Clarke
