FLU VACCINE AVAILABLE NOW!

APPOINTMENTS REQUIRED

Annual Vaccination is the best way to protect your child, yourself and your family.

This year due to COVID-19 restrictions and the need to reduce exposure risk to everyone, flu shots will primarily be given during our scheduled **Flu Shot Clinics**.

Beginning September 9th, Oregon City Pediatrics will have appointments available to schedule your child's flu-vaccination

There are two ways for your child to receive a flu-vaccine this year:

- Ask for a shot during a scheduled Well Child Visit
- Call **503-657-7629** to schedule a flu-vaccine nurse visit during our Flu Shot Clinic times.
